Item	Class-Item	Quantity	Unit	Unit Price	Total
	<p>BLANKET REQUIREMENTS: 3/1/06 - 2/28/09</p> <p>BIDDING</p> <p>(a) A single price shall be quoted for each item against which a proposal is submitted. This price will be the maximum in effect during the agreement period. Any price decline at the manufacturer's level shall be reflected in a reduction of the agreement price to the State.</p> <p>(b) Quantities, if any, are estimated only. The agreement shall cover the actual quantities ordering during the period. Deliveries will be billed at the single, firm, awarded unit price quoted regardless of the quantities ordered.</p> <p>(c) Bid price is net F.O.B. destination and shall include inside delivery at no extra cost.</p> <p>(d) Bids for single items and/or a small percentage of total items listed, may, at the State's sole option, be rejected as being non-responsive to the intent of this request.</p> <p>ORDERING</p> <p>(a) The User Agency(s) will submit individual orders for the various items and various quantities as may be required during the agreement period.</p> <p>(b) Exception - Regardless of any agreement resulting from this bid, the State reserves the right to solicit prices separately for any extra large requirements for delivery to specific destinations.</p>				

It is the Vendor's responsibility to check and download any and all addenda from the RIVIP. This offer may not be considered unless a signed RIVIP generated Bidder Certification Cover Form is attached and the Unit Price column is completed. The signed Certification Cover Form must be attached to the front of the offer. When delivering offers in person to One Capitol Hill, vendors are advised to allow at least one hour additional time for clearance through security checkpoints.

## **DEM Parks & Recreation Security Alarm System Specifications**

Blanket Requirements: 3/1/06 to 2/28/09

First year of three [3] year contract for security alarm service and fire detection equipment at nineteen [19] state park and beach locations. Service requires monitoring and maintenance at various park and beach locations. Each location is to have a back up battery power station as well as a two-way radio back up in case of disrupted telephone service. Vendor must supply and install complete security system and must meet the following detailed specifications and services. *Note\*\* Installation required only if new vendor is selected.*

All replacement materials, including labor, parts, microphones, wiring, batteries, smoke detectors, panels, etc. are to be kept in good working order by vendor at no charge to agency with the exception that agency request changes or modifications due to renovations or replacement of windows and doors. Replacement of current systems must be performed with minimum alterations of existing structures.

Vendor is responsible for any damage done at park and beach locations during installation, including but not limited to building structure, electrical, telephone service, sound systems and plumbing.

1. Audio system to be broad spectrum sound activated. Audio system must detect breaks in glass, plexi-glass, wood and block walls.
2. Audio surveillance to be very sensitive yet to be adjustable from central office during certain times; such as a storm, outside activities and able to reset after such events.
3. System to have ability to store audio to allow operator to reset after such events.
4. System to have ability to identify which microphones pick-up noise so that owner can inform police/personnel what area, room or floor in the building the sound was generated.
5. System shall identify individual doors that are opened so information is available to owner upon arrival.
6. System shall monitor smoke detector devices that are at several locations and match with equal equipment, including emergency lights currently attached to outside of buildings.
7. All cost for installation of equipment including labor and materials included in annual fee, which is to be invoiced quarterly.

8. Buildings are not to be left unprotected during anytime of the contract expiration and renewal. Agency will require a schedule of installation dates from vendor.
9. All locations will have coverage meeting or exceeding current levels of protection for openings, noise, movements, fire and any other services in existence. If required, new touch pads to be replaced in same areas as existing.
10. Vendor responsible throughout the term of this contract for supplying agency upon request a detailed list of codes on whom entered and left each facility. These lists to include person's code, time and date entered. Vendor to store at least 90 days of this information for all facilities.
11. Local UL certified central station.
